3. Description of Proposed Works

Please describe the proposed works:

The proposed application is for a small extension (9 sq/m) at second floor level to the rear of the property. This extension would improve the living quality of his family home. The proposed extension does not extend beyond the existing face of the building and the proposed height is to match the existing height of the house. The proposed materials are to match the materials used on the existing building. The proposed application will not alter any existing roads or pathways in the area and has in reality little or no impact on its surroundings.
