Your comments on the planning application: I note the comments of Ms Tinero of the Conservation Committee. The manufacturer of the replacement windows proposed is Duration/ Smart. The aero foil section mentioned is only included on the patio doors and large horizontal sliding windows. Duration incorporates this profile in order to maintain a slimline appearance but also to withstand wind loads to larger windows. The handles will be changed to a smaller 'D' handle which is also in the Duration range.  
Would it be useful if I attended the actual planning meeting ?
