

The Heath & Hampstead Society

P.O.BOX 38214 LONDON NW3 1XD

The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2015/1895/P

Address: 10 Nassington Road NW3

Description: Roof access.

Case Officer: Obote Hope

Date 30 April 2015

This extremely misleading and poorly presented application is unacceptable, on these grounds:

1. There is no location or block plan.
2. We always oppose rooftop terraces, which intrude into the skyline, and provide opportunities for overlooking of adjoining premises and gardens, leading to loss of privacy and noise pollution. In this case. The new surrounding handrail indicates such a terrace, despite the lack of staircase access. The need for access to the roof-mounted solar panels does not necessitate a full balustrade around the roof area concerned, and it is clear that the space could and would be used for leisure purposes.

Please refuse.
