Drawing Nos: 0613(RP)019 Heritage Consent Report

The Council has considered your application and decided to grant Approval of Details (Listed Building) subject to the following condition(s):

Conditions And Reasons:

Informative(s):

- 1 The proposed details accord with the approved plans for the scheme. The partition

is glazed at high level to allow continuous views through of the roof curved roof structure. Structurally it will be supported on a steel frame with the glazing mounted in front of this which allows the joints between panels to be as slim as lightweight as possible.

The site's planning history was taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building or its setting or any features of special architectural or historic interest which it possesses, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policy 7.8 of the London Plan March 2015, consolidated with alterations since 2011, and paragraphs 14, 17 and 126-141 of the National Planning Policy Framework.

- 2 You are reminded that conditions 2h (mezzanine) and 2i (signage support) of listed building consent granted on 19/6/14 (ref: 2014/1436/L) are outstanding and require details to be submitted and approved.
