Dear Tessa

Thank you for taking the time to talk with me today.

As discussed I enclose two drawings of amendments I would like to make to my planning application 2015/2252/P

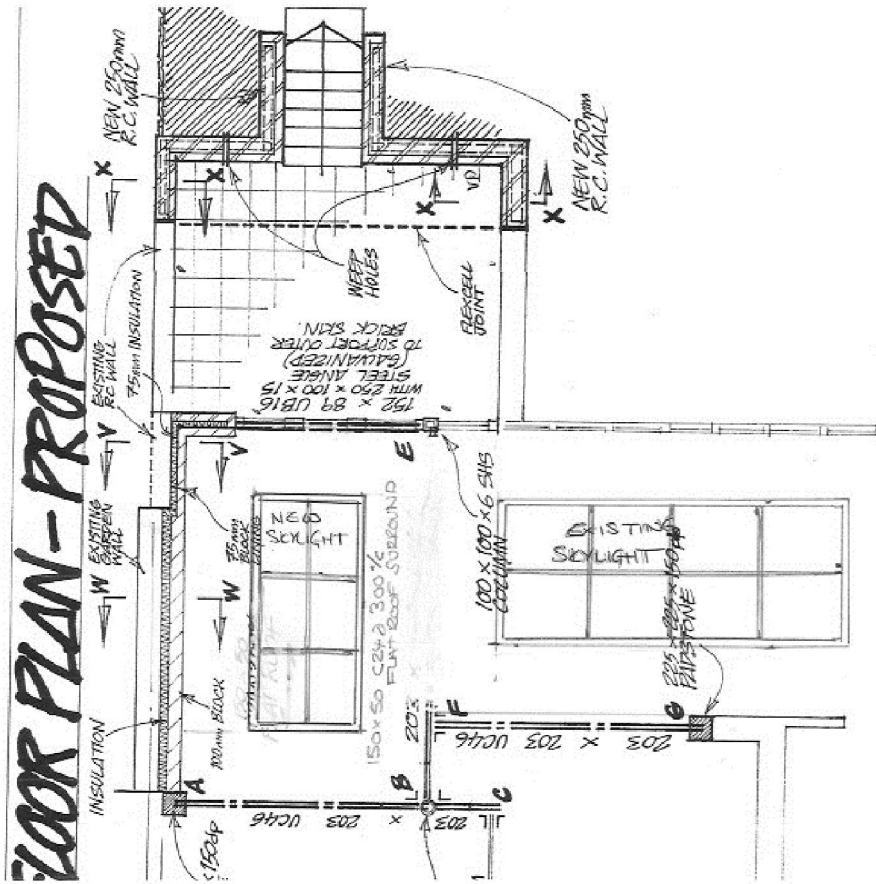

- 1) I would like for the patio doors to go across the full width of my new proposed extension
- 2) I would like to obtain consent to include a small skylight in the roof of proposed extension to match existing

Both of these proposals would use materials same as existing

I was hoping to undertake a site visit over the next few weeks. I understand you are in [REDACTED] until the end of next week, but would it be suitable to visit on Monday [REDACTED]?

I look forward to hearing from you.
