2015/0354/P	Gluckstein	11 Railey Mews NW5 2PA	05/05/2015 13:47:52	JUST	I object on 3 grounds: Firstly, they haven't built 2 storey plus basement houses, they are 3 storeys. Secondly, the houses as built are completely out of perspective with the rest of the streetscape - the parapet is too high (the rest of the street steps down incrementally) and there is too tall an expanse of brickwork above the first floor windows to the parapet. It looks wrong. Finally, they have put in PVC windows, which is completely out of character with the rest of the street.
