2015/2156/P	Marchmont Association	62C Marchmont Street London WC1N 1AB	06/05/2015 10:27:51	COMMNT	The Marchmont Association has no objection in principle to this proposal. However, due to the lack of detail in relation to the new kitchen to be created on the ground floor as part of the reduced restaurant, we are unable to see what provision has been made for the effective extraction of cooking fumes. We also need to know that adequate waste storage facilities have been provided for the restaurant, so as to prevent them having to place their waste on the footway overnight.
