Dear Mr Chaggar

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)**  
**NATIONAL PLANNING POLICY FRAMEWORK 2012**

**The Village North End Way London NW3 7HA**

*Removal of condition 7 (archaeological investigation) to planning permission 2014/5276/P granted on 10/03/2015 for provision of off street parking space with associated works.*

**Recommend Archaeology Condition to be Satisfied/Removed**

Thank you for your consultation received on 24 April 2015.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Although the site lies within an archaeological priority area, having considered the submitted information the proposed works are too small in scale to result in any likely archaeological impact. I therefore recommend that no further archaeological work is necessary and that condition 7 (archaeological investigation) to the planning permission 2014/5276/P can be removed.
