2015/2543/P	emelye rennards	40 chichester court royal college street	13/05/2015 10:53:27	OBJ	I oppose this planning application as this will affect not only my quality of life whilst yet another roof extension is built on this tiny road, as we are already having 2 under construction now and have had 3/4 built over the past 2 years, it will affect my view from my window and will almost be eye level with the flat below. On occasions I am working nights and this will affect my ability to get any rest, as it will be outside of my bedroom window.
