2015/2608/T	James Clive-Matthews	Flat 3 25 Goldhurst Terrace	14/05/2015 08:27:11	OBJ	These trees provide a valuable noise break for this side of Goldhurst Terrace, reducing the impact of Finchley Road, as well as blocking out line of sight from the buildings behind into our property. We have no objection to them being trimmed back a little, but there is no need to fell any of them.
