Dear Sirs

I am the joint leaseholder of Flat 3 in 31 Compayne Gardens which adjoins 29 Compayne Gardens who have made various planning applications relating to that property.

One of the features of our area is the well established trees which are not only environmentally friendly but also enhance the almost rustic charm of the area and the privacy of all residents. The removal of the trees in question will have a serious adverse effect on all who live at 31 Compayne Gardens as well diminishing the long established peaceful character of the area.

I therefore oppose the proposed works.

Yours sincerely

Andrew PF Williamson
