Letter: P
Planning application address: 37 fortune green road

Your comments on the planning application:

I would be happy to support the idea of having a swimming pool at ground level of the property put forward as we do not have one near by and would be a lovely addition to the community.

However, only if it would NOT be a 24 hour establishment as this is a residential area and with the roads being narrow and buildings tall, noise is bounced off them resulting in loud noises including people socialising outside during the night. We have first hand experience of this from THE GYM.
