Application for Listed Building Consent**

**CHRIST CHURCH PRIMARY SCHOOL, CHRISTCHURCH HILL , LONDON , NW3

Application No 2015/1970/L

Thank you for your letter of 30 April 2015 notifying Historic England of the scheme relating to the above site.

Having considered the information received and found that the proposals will not conflict with the advice previously provided on the related applications (please see our comments regarding cases 2014/5699/L and 2014/5338/P), we do not wish to offer any further comments on this occasion.

Recommendation

This application should be determined in accordance with national and local policy guidance and on the basis of your specialist conservation advice.

We have therefore drafted the necessary letter of authorisation (draft attached) for your Council to determine the application as you see fit and referred the case to National Planning Casework Unit. Subject to the Secretary of State not directing reference of the application to him, they will return the letter of authorisation to you. If your authority is minded to grant listed building consent, you will then be able to issue a formal decision. Please send us a copy of your Council's decision notice in due course.

Please note that this response relates to historic building matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973
