Dear Sir/Madam,

**Notification of tree works at 2 Lyndhurst Gardens
Ref 2015/2185/T**

I write regarding the notice of planned tree works in the grounds of 2 Lyndhurst Gardens, NW3. I object to the removal of the tree in question. As a resident of Roscommon House, I very much enjoy the trees and leafy surroundings they give to the block. These three trees make an attractive little clump at the top of the drive and give an appealing aspect to the entrance of the drive.

Sadly, we had to lose a row of eight limes a few years ago because of subsidence problems. It would be a shame to lose any more trees unnecessarily.

I trust you will reject this application.

Yours faithfully,

Timothy R Lord
