14 Roger Street, London WC1N 2JU

Details of site investigation required by condition 8 of planning permission 2013/2798/P dated 13/11/2013 (for change of use from office to residential and the erection of a fourth floor level to provide 6 flats).

Recommend Archaeology Condition to be Satisfied

Thank you for your consultation dated 29 April 2015.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

I have received an archaeological report provided in compliance with the archaeological investigation condition of the above planning permission.

Having considered the submitted document I recommend its approval. No further archaeological work is necessary and the archaeological condition under this application has been satisfied.

The results of the archaeological investigation will be published in summary form in the
