2015/2085/P	James Uffindell	Flat 4 1 Woodchurch Road London Nw6 3PL	15/05/2015 16:12:12	OBJ	<p>I am extremely worried about the proposed roof terrace development directly outside my flat room window (application '2015/2085/P').</p> <p>As such I would like to lodge a firm objection to the development based on:</p> <ol style="list-style-type: none">1. Noise and privacy:<ol style="list-style-type: none">a. Sound noise, potentially in the evenings when I'm trying to sleep, will definitely travel directly into my flat. I have only recently purchased the flat and had I known there would be a roof terrace directly outside, I would not have gone ahead with the purchase – this really would be a significant infringement on my privacyb. The proposed terrace will directly overlook the approach to the house as I come home – i.e. I would be directly looked down on when going in out of the property – again another privacy infringementc. I am genuinely concerned for my neighbours opposite me – when on the roof terrace you would be able to see directly into their properties, along with the accompanying noise from social gatherings on the terrace2. Street Architecture:<ol style="list-style-type: none">a. I am not an architect, but I haven't seen one terrace in the area of the sheer scale and size being proposed – it seems very out of character with the areab. 1 Woodchurch Road is explicitly mentioned in the South Hampstead Conversation area document and altering its original appearance would not appear to be fitting with the area at all <p>Thank you for your help in this matter – the proposed development really is quite a concern to me.</p> <p>All best,</p> <p>James</p> <p>James Uffindell Owner, Flat 4, 1 Woodchurch Road, London, NW6 3PL</p>
