Dear Sirs,

**SIDNEY ESTATE, LONDON NW1: NEW LIFTS FOR ST ANTHONYS FLATS, ST MICHAELS FLATS,
AND ST NICHOLAS FLATS**

We now attach our application made on behalf of Origin Housing for planning consent for five new lifts to serve the existing flats at the Sidney Estate. We have previously asked for comments on a number of specific proposals for regeneration of the Sidney Estate in Somers Town, and this forms part of that overall regeneration.

New lifts are proposed for St Anthonys Flats: Aldenham Street and Chalton Street; for St Michaels Flats; and for St Nicholas Flats: Aldenham Street and Werrington Street. Similar lifts have previously been approved for access to St Francis House, St Georges House, and St Christophers House in Bridgeway Street. If agreed these new flats would extend this improved access to all the upper level flats at the Sidney Estate.

I hope that you have sufficient information for validation and consideration, however please contact us as soon as possible if you need any further information or clarification.

Yours faithfully

MICHAEL FRIEND
