We strongly object to the felling of the Holly Tree for the following reasons:

- (1) It has been here since we purchased our property in 2001 - the current owners of N° 14 are far more recent 2010 I believe
- (2) It is a host for nesting birds in the Spring and summer
- (3) It is a summer roost for bats
- (4) It creates huge privacy issues for us, leaving our master bedroom highly exposed.
- (5) We have a training french aspen running through it and across our privacy fence - this would be destroyed
- (6) The view of the houses 13 & 14 from the Top of Parliament Hill would be impaired and go against the principles of the conservation area.
- (7) We are 200 yards from the Highgate Ponds - this tree can be seen from the Heath - it is highly undesirable to

ne more yet another tree given how many have already been lost as a result of the dams PTJ

(8) We have spoken at length to several conservationists on the Heath including Danny Murphy, who strongly disagree with the felling of the tree.

We strongly urge you to visit and see the damage this felling would cause, although we support a small reduction under our supervision.

Yours sincerely
