F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has:

2. Refused permission to vary a condition(s).
3. Refused prior approval of permitted development rights.
4. Granted planning permission for the development subject to conditions to which you object.
5. Refused approval of the matters reserved under an outline planning permission.
6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object.
7. Refused to approve any matter required by a condition on a previous planning permission (other than those specified above).

8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval.
9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation.

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations
2. Hearing

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

the box below

There are a number of intertwining town planning issues which need to be considered as part of this application. Therefore an appeal route which allows all of these matters to be discussed verbally with balanced arguments made would be preferable. Given the shortage of housing in London, the need to plan positively as required by the National Planning Policy Framework and the fact that this is brownfield land we consider that there is extra importance for this to be the subject of an open, verbal discussion.
