Your comments on the planning application

I am the owner of flat A at 161 Sumatra Road. I am concerned about this application for a number of reasons:

1. The splitting of a single house into 5 separate properties will make it even more difficult to park on the street than it already is.
2. It will mean that there is likely to be significantly more noise coming from the house.
3. 5 flats will generate significantly more rubbish than one

house and there is an increased likelihood of the outside becoming a rubbish dump. Putting 5 bins outside will, itself, be unattractive.

4. The provision of cycle storage makes it seem as if the flats are to be let rather than sold which means that there are likely to be tenants who often have less vested interest in keeping the outside of the property looking nice and clear from rubbish than owner occupiers.
