REV	DESCRIPTION	DATE	NAME

A photograph of a brick building, likely a house, viewed from a garden area. The building features a white-framed double door with a small window above it. A balcony with a wooden railing is visible on the upper floor. The garden area includes a paved patio, a large green bush on the left, and a wooden shed on the right. The sky is blue with some clouds.

A narrow alleyway between brick buildings. The central building is white-painted and features a white door and a window. A black downspout runs vertically along the right side of the white building. In the foreground, a bicycle is partially visible on the left, and a large object is covered with a grey tarp on the right. The ground is paved and shows some debris. The sky is clear and blue.
