Your comments on the planning application

The building work needed to create the proposed plans will be incredibly detrimental to the running of the studio from where I write and record.  
I have been resident at Air Studios as a writer for 20 years...I have written the music to over 30 Feature Films there ( including 5 James Bond Films) as well as all the Music for the London 2012 Olympic and Paralympic Closing Ceremonies, of which i was Music Director.  
When I record in the Main Hall at Air with an orchestra...then every extraneous noise can affect the work. If there is noise beyond a certain level,then we cant work.. The studio is

### Planning Application Details

home to many film composers who work here and bring in many millions of pounds worth of business from abroad....its effectively a hugely successful export business. That income goes to London musicians, hotels, catering, transport, music printing and copying to name a few.

The type of excavation works proposed and the drilling etc involved would render our workplace unusable. It couldn't function as a recording studio and would send those millions of dollars to other countries, Prague, Berlin etc and possibly even with other composers. Can I object most strongly to this proposal.
