Dear Alex and Harold

Can you please see that I am really interested (as I am sure you are) that this is expedited and we have a champion for your smart homes!

Thanks so much.

All best

Sally

Dear Sally,

My application for planning permission is currently being considered.
What I am applying for is permission to insulate the blank side wall externally.

Any chance that you could show an interest ?

I have heard that you have now moved on from Environment but you remain a ward councillor and I assume that you are still interested personally in the issue.

Thanks
Sarah
