Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Granted

Address:
**1 The Old Hall
South Grove
London
N6 6BP**

Proposal: Replacement of the existing conservatory structure to the rear with a new extension.

Drawing Nos: PL001, PL002, PL003, PL004, PL022, PL116, PL117, PL122 and PL401.

The Council has considered your application and decided to grant Listed Building Consent subject to the following conditions:

Conditions and Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:
 - a) Details including sections at 1:5 of all glazing and the junctions with the main house
 - b) Samples and Manufacturer's specification details of all facing materials to be submitted to the Local Planning Authority

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 [and DP25 if in CA] of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

PL001, PL002, PL003, PL004, PL022, PL116, PL117, PL122 and PL401.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informatives:

- 1 Reasons for granting listed building consent.

The application site forms the 19th century south-west addition to a Grade II* Listed detached house. The main block dates from c.1694. The site itself consists of a two-storey property including a lower ground floor level. The site is located in the Highgate Village Conservation Area.

The proposal is for a new conservatory to the rear of the building with modest changes to the landscaping and paving adjacent to the conservatory also proposed. There is an existing glazed conservatory in this location, built in a more traditional Victoriana style which is complementary to the listed building and its setting. The proposed structure would be similar in size and scale as the existing conservatory but would be more contemporary in character, consisting largely of minimally framed glazed sliding doors, with sections of timber cladding and a zinc roof. Concealable retractable awnings would be integrated into the fascia above the sliding doors.

While the proposal would create a degree of contrast with the existing historic building, the principle of juxtaposing highly contemporary glazed structures with historic buildings is well established within the borough and in this case the

proposal would be of a sensitive scale and a highly transparent design, allowing the form and appearance of the rear of the listed building to remain discernible and the principle structure. There would be no alterations to door openings from the main house into the conservatory and thus there would be no change to the layout and plan form of the listed building over and above the existing layout. The proposals would better reveal the original sash window at 1st floor level due to the nature of the design which is lower and rectilinear with a flat roof. Whilst the design is bold, it represents a clear and distinct addition to the building that remains subordinate and does not cause any detrimental harm to the character of the listed building.

The planning history of the site has been taken into account when coming to this decision. 65 letters were sent consulting neighbours at adjoining properties on this application. A site notice was displayed from 20/03/2015 to 10/04/2015 and the application was advertised via a press notice in Ham & High newspaper between 26/03/2015 to 16/04/2015. No objections were received prior to making this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6, 7.8, 7.17 of The London Plan March 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56-66 and 126-141 of the National Planning Policy Framework.
