2015/2366/P	Susan O'Hare	Flat 10 Gabrielle Court 1-3 Lancaster Grove Belsize Park London	25/05/2015 07:40:51	OBJ	As an owner of Flat 10 Gabrielle Court which is next door to Pugh House I have concerns over the structural and decorative damage the demolition and digging of a basement will have on our block of flats. We need to have our block monitored if you pass this planning for structural movement at least the basement appears to be 1 and a half stories deep. Also I am concerned the front will extend further into the garden that before and 2 floors higher at the back. This is obviously to get as much value out of the property however I object to the basement, making the front extend its foot print and the 2nd floor extension at the back
