2014/1495/P
FINAL201315

THIS AGREEMENT is made the 31st day of MARCH 2015

B E T W E E N:

1. **GORDON LEONARD HAUSER** and **PAMELA ANN HAUSER** of Suite 414, 80 High Street, Winchester, Hants SO23 9AT and of Basepoint Unit 6, 1 Winnall Valley Road, Winchester, Hants SO23 0LD (hereinafter called "the Owner") of the first part

2. **THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF CAMDEN** of Town Hall, Judd Street, London WC1H 9LP (hereinafter called "the Council") of the second part

WHEREAS

- 1.1 The Owner is registered at the Land Registry as the freehold proprietor with Title absolute of the Property under Title Number LN82452.

- 1.2 The Owner is the freehold Owner of and is interested in the Property for the purposes of Section 106 of the Act.

- 1.3 A Planning Application for the Development of the Property was submitted to the Council and validated on 21st November 2014 and the Council resolved to grant permission conditionally under reference number 2014/1495/P subject to conclusion of this legal Agreement.

- 1.4 The Council is the local planning authority for the purposes of the Act for the area in which the Property is situated and considers it expedient in the interests of the proper planning of its area that the development of the Property should be restricted or regulated in accordance with this Agreement.

- 1.5 As local highway authority the Council considers the Highways Works to be carried out pursuant to this section 278 Agreement to be in the public benefit.

1.6 For that purpose the Owner is willing to enter into this Agreement pursuant to the provisions of Section 106 of the Act.

2. **DEFINITIONS**

In this Agreement the following expressions (arranged in alphabetical order) shall unless the context otherwise requires have the following meanings:-

- 2.1 "the Act" the Town and Country Planning Act 1990 (as amended)
- 2.2 "the Agreement" this Planning Obligation made pursuant to Section 106 of the Act
- 2.3 "the Burland Category of Damage" an industry recognised category of structural damage as specified at para 2.30 of Camden Planning Guidance 4: Basements and lightwells (as may be amended) and shown in the Second Schedule annexed hereto
- 2.4 "the Certificate of Practical Completion" the certificate issued by the Owner's contractor or architect or project manager certifying that the Development has been completed
- 2.5 "Construction Management Plan" a plan setting out the measures that the Owner will adopt in undertaking the demolition of the Existing Buildings and the construction of the Development using good site practices in accordance

with the Council's Considerate Contractor Manual to ensure the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network including (but not limited to):-

- (i) a statement to be submitted to Council giving details of the environmental protection highways safety and community liaison measures proposed to be adopted by the Owner in order to mitigate and offset potential or likely effects and impacts arising from the demolition of the Existing Buildings or structures on the Property and the building out of the Development;
- (ii) incorporation of the provisions set out in the First Schedule annexed hereto
- (iii) effects on the health and amenity of local residences site construction workers local businesses and adjoining developments undergoing construction;
- (iv) amelioration and monitoring measures over construction traffic including procedures for notifying the owners and or occupiers of the residences and businesses in

the locality in advance of major operations delivery schedules and amendments to normal traffic arrangements (if any);

- (v) the inclusion of a waste management strategy for handling and disposing of construction waste; and
- (vi) identifying means of ensuring the provision of information to the Council and provision of a mechanism for monitoring and reviewing as required from time to time;
- (vii) details of the public meeting to be organised by the Owner with local residents and Neighbouring Properties to discuss Development proposals prior to Implementation and to include details of proposed dates and venues and how the Owner intends to publicise the meeting in the local neighbourhood (to be at the Owners own expense).

2.6 "the Construction Phase"

the whole period between

- (i) the Implementation Date and
- (ii) the date of issue of the Certificate of Practical Completion

and for the avoidance of doubt includes the demolition of the Existing Buildings

2.7 "the Council's Considerate Contractor Manual"

the document produced by the Council from time to time entitled "Guide for Contractors Working in Camden" relating to the good practice for developers engaged in building activities in the London Borough of Camden

2.8 "Detailed Basement Construction Plan"

a plan setting out detailed information relating to the design and construction of the basement forming part of the Development with a view to minimising any or all impacts of the Development on Neighbouring Properties and the water environment and to provide a programme of detailed mitigating measures to be undertaken and put in place by the Owner with the objective of maintaining the structural stability of the Property and Neighbouring Properties as described in the Basement Impact Assessment By Ramboll dated 10th December 2014 submitted with the Planning Application and to include the following key stages:-

1. the Owner to appoint an independent suitably certified engineer (qualified in the fields of geotechnical and/or structural engineering) from a recognised relevant professional body having relevant

experience of sub-ground level construction commensurate with the Development (“the Basement Design Engineer”) AND for details of the appointment to be submitted to the Council for written approval (and the Owner to confirm that any change in Basement Design Engineer during the Construction Phase with the Council in advance); and

2. the Basement Design Engineer to formulate the appropriate plan to fulfil the requirement of the Detail Construction Basement Plan and at all times to ensure the following:-

(a) that the design plans have been undertaken in strict accordance with the terms of this Agreement incorporating proper design and review input into the detailed design phase of the Development and ensuring that appropriately conservative modelling relating to the local ground conditions and local water environment and structural condition of Neighbouring Properties have been incorporated into the final design; and

(b) that the result of these appropriately conservative figures ensure that that the Development will be undertaken without any impact on the structural integrity of the Neighbouring Properties beyond “Slight” with reference to the Burland Category of Damage; and

(c) that the Basement Design Engineer having confirmed that the design plans have been undertaken in strict accordance with this Agreement and includes a letter of professional certification confirming this and that the detailed measures set out in sub-clauses (i)-(vi) below have been incorporated correctly and appropriately and are sufficient in order to achieve the objectives of the Detailed Basement Construction Plan;

(i) provision of a detailed structural appraisal of the Neighbouring Properties undertaken by a suitably qualified and experienced chartered surveyor;

(ii) a method statement detailing the proposed method of ensuring the safety and stability of Neighbouring Properties throughout the Construction Phase including temporary works sequence drawings and assumptions with appropriate monitoring control risk assessment contingency measures and any other methodologies associated with the basement and the basement temporary works;

(iii) detailed design drawings incorporating conservative modelling relating to the local ground conditions and local water environment and structural condition of Neighbouring Properties prepared by the Basement Design Engineer for all

elements of the groundworks and basement authorised by the Planning Permission together with specifications and supporting calculations for both the temporary and permanent basement construction works;

(iv) the Basement Design Engineer to be retained at the Property throughout the Construction Phase to inspect approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration and to ensure compliance with the plans and drawings as approved by the building control body;

(v) measures to ensure the on-going maintenance and upkeep of the basement forming part of the Development and any and all associated drainage and/or ground water diversion measures order to maintain structural stability of the Property the Neighbouring Properties and the local water environment (surface and groundwater);

(vi) measures to ensure ground water monitoring equipment shall be installed prior to Implementation and retained with monitoring continuing during the Construction Phase and not to terminate monitoring until the issue of the Certificate of Practical Completion (or other time agreed by the Council in writing).

3. the Owner to appoint a second independent suitably certified engineer (qualified in the fields of geotechnical and/or structural engineering) from a recognised relevant professional body having relevant experience of sub-ground level construction commensurate with the Development ("the Certifying Engineer") (potentially from the same company as the Basement Design Engineer) and for details of the appointment of the Certifying Engineer to be submitted to the Council for written approval in advance; and,
4. for the Certifying Engineer to review the design plans and offer a 2 page review report to the Council confirming that the design plans have been formulated in strict accordance with the terms of this Agreement and have appropriately and correctly incorporated the provisions of sub-clauses (i)-(vi) above and are sufficient to achieve the objectives of the Detailed Basement Construction Plan AND should any omissions, errors or discrepancies be raised by the Certifying Engineer then these to be clearly outlined in the report and thereafter be raised directly with the Basement Design Engineer with a view to addressing these matters in the revised design plans.
5. Only thereafter shall the Owner submit the agreed finalised version of the Detailed Basement Construction Plan to

the Council for its written approval with a letter of professional certification from the Certifying Engineer confirming that the Detailed Basement Construction Plan is an approved form and has been formulated in strict accordance with the terms and clauses of this Agreement.

6. The Owner to respond to any further questions and requests for further information about the submitted plan from the Council AND IN THE EVENT that a further technical assessment be required then the Owner agrees to reimburse the Council for any costs expended which requires the instruction of an independent assessment in order to resolve any unresolved issues or technical deficiencies in the Council's consideration of the submitted plan.

2.9 "the Development"

Erection of a part two storey, part three storey plus basement building to accommodate 4 x 2 bedroom flats, following the demolition of existing house (Class C3). (reconsultation following new ownership certificate submitted)as shown on drawing numbers: (1122-BA-) 100, 101A, 102A, 103A, 104A, 105, 106A, 107A, 108, 109, 110, 111, 112A, 113B, 114B, 115B, 116B, 117B, 118B, 119, 120B, 121B, 122A, 123B, 124, 125B, 126A, 127, 128A, 129B, 130A, 131. Supporting documents: Martin Redston Associates Proposed Construction Method Statement and Sequence of

Works (ref 13.111) dated 24th May 2013 BRE Global The Code for Sustainable Homes (ref BRE-00021458-DS-001-00) Donald Shearer Architects Design and Access Statement dated 24.02.2014 (ref 1122BA001) Rambolls Basement Impact Assessment Revision 3 dated 10.12.2014 Donald Shearer Architects Lifetimes Home Compliance dated 24.02.2014

2.10 "the Energy Efficiency and Renewable Energy Plan"

a strategy setting out a package of measures to be adopted by the Owner in the management of the Development with a view to reducing carbon energy emissions through (but not be limited to) the following:-

- (a) the incorporation of the measures set out in the submission document entitled BRE Global The Code for Sustainable Homes (ref BRE-00021458-DS-001-00);
- (b) further details of how the Owner will reduce the Development's carbon emissions from renewable energy technologies located on the Property ensuring the Owner will target a reduction of at least 25% in carbon emissions in relation to the Property using a combination of complementary low and zero carbon technologies;
- (c) separate metering of all low and zero carbon technologies to enable the

monitoring of energy and carbon emissions and savings;

- (d) a building management system being an electronic system to monitor the Development's heating cooling and the hours of use of plant;
- (e) measures to enable future connection to a local energy network at the boundary of the Property;
- (f) include a pre-Implementation review by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Energy Efficiency and Renewable Energy Plan are achievable in the Development and satisfy the aims and objectives of the Council's strategic policies on the reduction of carbon emissions contained within its Development Plan;
- (g) measures to secure a post construction review of the Development by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Energy Efficiency and Renewable Energy Plan have been achieved in the Development and will be maintainable in the Development's future management and occupation; and

- (h) identifying means of ensuring the provision of information to the Council and provision of a mechanism for review and update as required from time to time

2.11 "Existing Buildings"

the buildings in situ at the Property (the two storey detached single family dwellinghouse) as at the date of this Agreement

2.12 "the Highways Contribution"

the sum of £5,420.87 (five thousand four hundred and twenty pounds and eighty seven pence) to be paid by the Owner to the Council in accordance with the terms of this Agreement and to be applied by the Council in event of receipt for the carrying out works to the public highway and associated measures in the vicinity of the Property such works to include the repaving of the footway adjacent to the Property (the Highways Works") all works will be subject to final measure and any level adjustment required and for the avoidance of doubt the Council in accepting this sum does not undertake any responsibility in connection with any required statutory undertakers works and excludes any statutory undertakers costs

2.13 "the Implementation Date"

the date of implementation of the Development by the carrying out of a material operation as defined in Section 56 of the Act and references to

- "Implementation" and "Implement" shall be construed accordingly
- 2.14 "the Level Plans" plans demonstrating the levels at the interface of the Development the boundary of the Property and the Public Highway
- 2.15 "Neighbouring Properties" the neighbouring properties known as 7 Mansfield Road, 13-15 Mansfield Road, and nos 6, 7 and 15 Oak Village
- 2.16 "Occupation Date" the date when any part of the Development is occupied and the phrases "Occupy", "Occupied" and "Occupation" shall be construed accordingly
- 2.17 "the Parties" mean the Council the Owner
- 2.18 "the Planning Application" a planning application in respect of the Development of the Property submitted to the Council and validated on 21st November 2014 under reference number 2014/1495P
- 2.19 "Planning Obligations Monitoring Officer" a planning officer of the Council from time to time allocated to deal with all planning obligations pursuant to Section 106 of the Act to whom all notices,

correspondence, approvals etc must be sent in the manner prescribed at clause 6.1 hereof

- 2.20 "the Planning Permission" a planning permission granted for the Development substantially in the draft form annexed hereto
- 2.21 "the Property" the land known as 9 & 11 Mansfield Road London NW3 2JD the same as shown shaded grey on the plan annexed hereto
- 2.22 "the Public Highway" any carriageway footway and/or verge adjoining the Property maintainable at public expense
- 2.23 "Residents Parking Bay" a parking place designated by the Council by an order under the Road Traffic Regulation Act 1984 or other relevant legislation for use by residents of the locality in which the Development is situated
- 2.24 "Residents Parking Permit" A parking permit issued by the Council under section 45(2) of the Road Traffic Regulation Act 1984 allowing a vehicle to park in Residents Parking Bays
- 2.25 "the Sustainability Plan" a plan securing the incorporation of sustainability measures in the carrying out of the Development in its fabric and

in its subsequent management and occupation based which shall include:-

- (a) an assessment under the Code for Sustainable Homes achieving at least Level 4 and attaining at least 68% of the credits in each of the Energy Water and Materials categories;
- (b) include a pre-Implementation review by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Sustainability Plan are achievable in the Development and satisfy the aims and objectives of the Council's strategic policies on sustainability contained within its Development Plan; and
- (c) measures to secure a post construction review of the Development by an appropriately qualified and recognised independent verification body in respect of the Property certifying that the measures incorporated in the Sustainability Plan have been achieved in the Development and will be maintainable in the Development's future management and occupation

NOW THIS DEED WITNESSETH as follows:-

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.
- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.
- 3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.
- 3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6, 7 and 8 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.
- 3.6 The Parties save where the context states otherwise shall include their successors in title.

4 **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 **CAR CAPPED**

- 4.1.1 The Owner hereby covenants with the Council to ensure that prior to occupying any residential unit forming part of the Development each new resident of the Development is informed by the Owner of the Council's policy that they shall not be entitled (unless they are the holder of a disabled persons badge issued pursuant to Section 21 of the Chronically Sick and Disabled Persons Act 1970) to be granted a Residents Parking Permit to park a vehicle in a Residents Parking Bay and will not be able to buy a contract to park within any car park owned, controlled or licensed by the Council.
- 4.1.2 The Owner for itself and its successors in title to the Property hereby acknowledges that the provision in Clause 4.1.1 above will remain permanently.
- 4.1.3 On or prior to the Occupation Date the Owner shall inform the Council's Planning Obligations Monitoring Officer of the official unit numbers of the residential units forming part of the Development (as issued and agreed by the Council's Street Name and Numbering Department), identifying those residential units that in the Owner's opinion are affected by the Owner's obligation in Clause 4.1.1 of this Agreement.

4.2 **CONSTRUCTION MANAGEMENT PLAN**

- 4.2.1 Prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.
- 4.2.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan as demonstrated by written notice to that effect.
- 4.2.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

4.2.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the requirements of the Construction Management Plan are not being complied with and in the event of non-compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.

4.3 **DETAILED BASEMENT CONSTRUCTION PLAN**

4.3.1 On or prior to the Implementation Date to provide the Council for approval the Detailed Basement Construction Plan.

4.3.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Detailed Basement Construction Plan as demonstrated by written notice to that effect.

4.3.3 The Owner acknowledges and agrees that the Council will not approve the Detailed Basement Construction Plan unless it demonstrates by way of certification by a suitably qualified engineer from a recognised relevant professional body to the Council's reasonable satisfaction that the Development can be constructed safely in light of the ground and water conditions and will not cause any structural problems with neighbouring properties nor the Development itself.

4.3.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Detailed Basement Construction Plan and not to permit the carrying out of any works comprised in building out the Development at any time when the requirements of the Detailed Basement Construction Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.

4.3.5 Not to Occupy or permit Occupation of the Development until a satisfactory post-completion review has been submitted to and approved by the Council in writing by way of certification by a suitably qualified engineer from a recognised relevant professional body confirming that the measures incorporated in the Detailed Basement Construction Plan as approved by the Council have been incorporated into the Development.

4.3.6 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Detailed Basement Construction Plan as approved by the Council and in the event of any breach shall forthwith take any steps required to remedy such non-compliance.

4.4 **ENERGY EFFICIENCY AND RENEWABLE ENERGY PLAN**

4.4.1 On or prior to the Implementation Date to submit to the Council for approval the Energy Efficiency and Renewable Energy Plan.

4.4.2 Not to Implement nor permit Implementation until such time as the Council has approved the Energy Efficiency and Renewable Energy Plan as demonstrated by written notice to that effect.

4.4.3 Not to Occupy or permit Occupation of the Property until a satisfactory post-completion review has been submitted to and approved by the Council in writing confirming that the measures incorporated in the Energy Efficiency and Renewable Energy Plan as approved by the Council have been incorporated into the Property.

4.4.4 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Energy Efficiency and Renewable Energy Plan as approved by the Council from time to time and shall not Occupy or permit Occupation of the Development

otherwise than in strict accordance with the requirements of the Energy Efficiency and Renewable Energy Plan.

4.5 **HIGHWAYS WORKS**

4.5.1 On or prior to the Implementation Date to:-

- (i) pay to the Council the Highways Contribution in full; and
- (ii) submit to the Council the Level Plans for approval.

4.5.2 Not to Implement or to allow Implementation until such time as the Council has:-

- (i) received the Highways Contribution in full; and
- (ii) approved the Level Plans as demonstrated by written notice to that effect.

4.5.3 For the avoidance of doubt the Owner acknowledges that the Council has the right reserved to it to construct the Public Highway to levels it considers appropriate and does not undertake any responsibility in connection with any required statutory undertakers works and that the Highways Contribution excludes any statutory undertakers costs.

4.5.4 On completion of the Highway Works the Council may provide to the Owner a certificate specifying the sum ("the Certified Sum") expended by the Council in carrying out the Highway Works.

4.5.5 If the Certified Sum exceeds the Highway Contribution then the Owner shall within fourteen days of the issuing of the said certificate pay to the Council the amount of the excess.

4.6 **SUSTAINABILITY PLAN**

4.6.1 On or prior to the Implementation Date to submit to the Council for approval the Sustainability Plan.

- 4.6.2 Not to Implement nor permit Implementation until the Sustainability Plan has been approved by the Council as demonstrated by written notice to that effect.
- 4.6.3 Not to Occupy or permit Occupation of the Property until a satisfactory post-completion review has been submitted to and approved by the Council in writing confirming that the measures incorporated in the Sustainability Plan as approved by the Council have been incorporated into the Property.
- 4.6.4 Following the Occupation Date the Owner shall not Occupy or permit Occupation of any part of the Development at any time when the Development is not being managed in strict accordance with the Sustainability Plan as approved by the Council and shall not Occupy or permit Occupation of the Development otherwise than in strict accordance with the requirements of the Sustainability Plan.

5. **NOTICE TO THE COUNCIL/OTHER MATTERS**

- 5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Development has taken or is about to take place.
- 5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause 6.1 hereof quoting planning reference 2014/1495/P the date upon which the Development is ready for Occupation.
- 5.3 The Owner shall act in good faith and shall co-operate with the Council to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.
- 5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned

herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall jointly and severally indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.

- 5.5 If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment of a fee of £1,000 in respect of each such obligation) provide through its Head of Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.
- 5.6 Submission of the Construction Management Plan or the Sustainability Plan “the Plans” for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format (where practicable) to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting planning reference 2014/1495/P.
- 5.7 Payment of the Highways Contribution pursuant to Clause 4.5 of this Agreement shall be made by the Owner to the Council sending the full amount via electronic transfer (where practicable). The owner shall notify the Planning Obligations Monitoring Officer that payment has been made referring to names date and Parties to this Agreement and citing the specific clause of this Agreement to which such contribution relates quoting the planning reference 2014/1495/P. Electronic Transfer be made directly to the National Westminster Bank of Hampstead Village, Enfield Customer Service Centre, PO Box 145 Baird Road Middlesex EN1 1FN quoting Sort Code 50-30-03 and London Borough of Camden General Account no. 24299480
- 5.8 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council

under this Agreement upon presentation of an appropriate value added tax invoice addressed to the Owner.

- 5.9 Any sums referred to in this Agreement as payable or to be applied by any party other than the Council under this Agreement shall be paid or applied TOGETHER WITH if such payment or application is made more than three months from the date of this Agreement a further sum ("A") being equal to the original sum payable ("B") multiplied by a figure being a fraction of which the All Items of Retail Prices ("the AllRP") figure last published by the Central Statistical Office at the date hereof is the denominator ("X") and the last AllRP figure published before the date such payment or application is made ("Y") less the last published AllRP figure at the date hereof ("X") is the numerator so that

$$A = B \times \frac{(Y-X)}{X}$$

- 5.10 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.
- 5.11 Were any approval is required of the Council pursuant to this Agreement then such agreement shall not be unreasonably withheld or delayed.

6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-

- 6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the planning reference number 2014/1495/P and in the case of any notice or approval or agreement

from the Council this shall be signed by a representative of the Council's Environment Department.

- 6.2 This Agreement shall be registered as a Local Land Charge.
- 6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.
- 6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.
- 6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.
- 6.6 Neither the Owner nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.

6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development this Agreement shall forthwith determine and cease to have effect.

7. **RIGHTS OF THIRD PARTIES**

7.1 The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement

8. **JOINT AND SEVERAL LIABILITY**

8.1 All Covenants made by the Owner in this Agreement are made jointly and severally and shall be enforceable as such.

IN WITNESS whereof the Council has caused its Common Seal to be hereunto affixed and the Owner have executed this instrument as their Deed the day and year first before written

THE FIRST SCHEDULE
Construction Management Plan
Highway Measures

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)

- i. A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- ii. Proposed start and end dates for each phase of construction.
- iii. The proposed working hours within which vehicles will arrive and depart.
- iv. The access arrangements for vehicles.
- v. Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative affects of construction on the highway. A map of the TLRN can be downloaded from the following site:-
http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf
- vi. Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- vii. Swept path drawings for any tight manoeuvres on vehicle routes to the site.

- viii. Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.
- ix. Parking and loading arrangement of vehicles and delivery of materials and plant to the site.
- x. Details of proposed parking bays suspensions and temporary traffic management orders.
- xi. Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- xii. Details of hoarding required or any other occupation of the public highway.
- xiii. Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any Banksman arrangements.
- xiv. Details of how traffic associated with the Development will be managed in order to reduce congestion.
- xv. Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- xvi. Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- xvii. Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.
- xviii. Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- xix. Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"

- xx. Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.
- xxi. Any other relevant information with regard to traffic and transport.
- xxii. The Construction Management Plan should also include the following statement:

"The agreed contents of the Construction Management Plan must be complied with unless otherwise agreed with the Council. The project manager shall work with the Council to review this Construction Management Plan if problems arise in relation to the construction of the Development. Any future revised plan must be approved by the Council and complied with thereafter."

It should be noted that any agreed Construction Management Plan does not prejudice further agreement that may be required for things such as road closures or hoarding licences

THE SECOND SCHEDULE
The Burland Category of Damage

Category of damage	Description of typical damage	Approximate crack width (mm)	Limiting tensile strain ϵ_{lim} (per cent)
0 Negligible	Hairline cracks of less than about 0.1 mm are classed as negligible	<0.1	0.0-0.05
1 Very slight	Fine cracks that can easily be treated during normal decoration. Perhaps isolated slight fracture in building. Cracks in external brickwork visible on inspection	<1	0.05-0.075
2 Slight	Cracks easily filled. Redecoration probably required. Several slight fractures showing inside of building. Cracks are visible externally and some repointing may be required externally to ensure weathertightness. Doors and windows may stick slightly.	<5	0.075-0.15
3 Moderate	The cracks require some opening up and can be patched by a mason. Recurrent cracks can be masked by suitable lining. Repointing of external brickwork and possibly a small amount of brickwork to be replaced. Doors and windows sticking. Service pipes may fracture. Weathertightness often impaired.	5-15 or a number of cracks > 3	0.15-0.3
4 Severe	Extensive repair work involving breaking-out and replacing sections of walls, especially over doors and windows. Windows and frames distorted, floor sloping noticeably. Walls leaning or bulging noticeably, some loss of bearing in beams. Service pipes disrupted.	15-25 but also depends on number of cracks	>0.3
5 Very severe	This requires a major repair involving partial or complete rebuilding. Beams lose bearings, walls lean badly and require shoring. Windows broken with distortion, Danger of instability.	Usually > 25 but depends on number of cracks	

Damage Category Chart (CIRIA C580)

Dear Sir/Madam

DRAFT
FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION
Town and Country Planning Act 1990 (as amended)

DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT

Address:
9 & 11 Mansfield Road
LONDON
NW3 2JD

Proposal:

DECISION
Erection of a part two storey, part three storey plus basement building to accommodate 4 x 2 bedroom flats, following the demolition of existing house (Class C3). (reconsultation following new ownership certificate submitted).

Drawing Nos: (1122-BA-) 100, 101A, 102A, 103A, 104A, 105, 106A, 107A, 108, 109, 110, 111, 112A, 113B, 114B, 115B, 116B, 117B, 118B, 119, 120B, 121B, 122A, 123B, 124, 125B, 126A, 127, 128A, 129B, 130A, 131.

Supporting documents:

Martin Redston Associates Proposed Construction Method Statement and Sequence of Works (ref 13.111) dated 24th May 2013

Donald Shearer Architects Design and Access Statement dated 24.02.2014 (ref 1122BA001)

Rambolls Basement Impact Assessment Revision 3 dated 10.12.2014

Donald Shearer Architects Lifetimes Home Compliance dated 24.02.2014

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Details including sections of all windows, external doors, chimneys and other architectural features;

b) Manufacturer's specification details of all facing materials (to be submitted to the Council) and samples of those materials (to be provided on site).

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: (1122-BA-) 100, 101A, 102A, 103A, 104A, 105, 106A, 107A, 108, 109, 110, 111, 112A, 113B, 114B, 115B, 116B, 117B, 118B, 119, 120B, 121B, 122A, 123B, 124, 125B, 126A, 127, 128A, 129B, 130A, 131.

Supporting documents:

Martin Redston Associates Proposed Construction Method Statement and Sequence of Works (ref 13.111) dated 24th May 2013

BRE Global The Code for Sustainable Homes (ref BRE-00021458-DS-001-00)

Donald Shearer Architects Design and Access Statement dated 24.02.2014 (ref 1122BA001)

Rambolls Basement Impact Assessment Revision 3 dated 10.12.2014

Donald Shearer Architects Lifetimes Home Compliance dated 24.02.2014

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials or satellite dishes shall be fixed or installed on the external face of the buildings, without the prior approval in writing of the local planning authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 (Securing high quality design) of the London Borough of Camden Local Development Framework Development Policies.

- 5 Prior to the first occupation of the residential units, details of the privacy screens located at rear first floor level shall be submitted to and approved in writing by the local planning authority. The screens shall be fully installed prior to the first use of the balconies and permanently retained and maintained in accordance with the approved details.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to occupation of the residential units, the planters on the 1st floor rear balconies hereby approved shall be installed and planted with shrubs and shall be permanently maintained and retained as such thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

- 7 The flat roofs at 1st and 2nd floor levels shall not be used as roof terraces and shall be used for maintenance purposes only.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework

Development Policies.

- 8 Notwithstanding the details shown on the plans hereby approved, no development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas, including the front garden boundary walls, gates and binstores, have been submitted to and approved by the local planning authority in writing. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 9 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of any of the new residential units.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 10 Before the development commences, details of secure and covered cycle storage area for 4 cycles shall be submitted to and approved by the local planning authority. The approved facility shall thereafter be provided in its entirety prior to the first occupation of any of the new units, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable

housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 2 In good time, prior to the start of construction (or if appropriate, demolition) on site, the contractor shall discuss and agree with the Council's Engineering Service Network Management team (tel: 020-7974 2410) detailed arrangements for the transportation of goods and materials to and from the site. The Council will prosecute those responsible for any breaches of the provisions of the Highways and Litter Acts which occur as a result of construction on the site.
- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 4 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 5 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ.
- 6 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 7 The correct street number or number and name must be displayed permanently on the premises in accordance with regulations made under Section 12 of the London

Building (Amendments) Act 1939.

- 8 Under Section 25 of the GLC (General Powers) Act 1983, the residential accommodation approved is not permitted for use as holiday lettings or any other form of temporary sleeping accommodation defined as being occupied by the same person(s) for a consecutive period of 90 nights or less. If any such use is intended, then a new planning application will be required which may not be approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
