Your comments on the planning application

The planning for this property includes 2 windows at the rear that will view directly into our main bedroom and bathroom, I therefore suggest that these may be of an obscured glass for the privacy of ourselves and the residents of 13 Reed's Place.

Your comments on the planning application

This application will remove any shred of privacy from our flat & our lives . It means that there is an absolute clear and direct line of sight from the proposed extension into our bedroom and bathroom. We do not think it in any way necessary or acceptable that this proposal be allowed. Why should we be deprived of our privacy, our sanctuary & our dignity simply to further the fiscal scheming 's of another have a go developer out to make a few pounds. I don't understand why the proposal has even been allowed to get to this stage.
