

Proposed view 03 from the Stables Market

#### 4.5 Appearance cont.

Following extensive consultation with Camden council, and in order to minimise the visual impact of the building's upper levels, the North facing glazing line at level 5 has been set back 12.6 m from the building line and 4.5m from the northern edge of level 5.

The proposed massing was previously consented under a planning application 2013/8265/P which received approval on the 6th August 2014 from Camden Council.

Previously consented view 03: from the Stables Market

Existing view 03: from the Stables Market

#### 4.5 Appearance cont.

1. Billund 513 WS brick by Hoskins Brick Ltd as approved under Planning Condition 03 (application reference:2015/0079/P) associated with application reference 2013/8265/P.

2. Pre-cast concrete panels by Mass Concrete

3. Permeable mesh panels incorporated into glazing system . New thermally broken double glazed screens incorporating sliding doors where applicable

4. Green wall privacy screens to balconies and terraces

Proposed Regent's Canal elevation 1:200
