Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Approval of Details Granted

Address:
80 Charlotte Street & 65 Whitfield Street
London
W1T 4QP

Proposal: Corner detailing to the sixth floor of 67-69 Whitfield Street building required by Condition 3 of planning permission 2010/6873/P dated 04/05/2012 (for the redevelopment of the Saatchi Block)

Drawing Nos: P7105-01, P8503-01, and P7106-01

Informative(s):

- 1 Reason for granting approval of details

The applicant previously submitted details of condition 3 that were found to be acceptable (ref: 2012/6822/P dated 15/02/2013). However, the applicant has revised the design of the corner detailing and as such has submitted this further application.

The applicant has revised the penthouse top corner metal spandrel colour, the penthouse corner window framing and the penthouse window frame & spandrel colour. The windows will be of a darker colour to that previously proposed. While

this is different from the white colour of the windows on the lower floors this will help to differentiate the contemporary nature of the roof element. The revisions to the window framing are minor and remain consistent with the windows on the lower levels of the building. The revisions are considered to be consistent with the original approval and satisfy the requirements of the condition.

No objections have been received prior to making this decision. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been given to the desirability of preserving or enhancing the character and appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5, CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan March 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56-66 and 126-141 of the National Planning Policy Framework.

- 2 You are reminded that conditions 6c (verification report), 11b (details of upper floor windows to 67-69 Chitty Street), and 11d (enclosure of lightwells), 12 (sample panel), 13 (bird and bat boxes), 15 (roof terrace details) and 16 (A3 ventilation) of planning permission 2010/6873/P dated 04/05/2012 remain outstanding and require further details to be submitted.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
