2015/2571/P	Richard Simpson for Primrose Hill CAAC	12A Manley Street London NW1 8LT	28/05/2015 11:20:25	COMMNT	ADVICE from Primrose Hill Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT  20 May 2015  24 Edis Street                      2015/2571/P  No objection of principle, but we seek revision to address possible harm to neighbouring amenity.  The fully glazed roof to the proposed lower ground floor conservatory infill needs revision to avoid potential light pollution, especially harmful to the habitable rooms in the flat immediately above. We note the provisions of DP26 and CPG 1 (2014) at 4.20.  Richard Simpson FSA Chair
