Subject: Re planning application no. 2015/2085/P

Dear Ms Phillips,

I write in connection with the above planning application. As a resident of 4 Woodchurch Road, which is situated opposite no. 1 Woodchurch Road, I know the site well and I wish to object strongly to the creation of a first floor roof terrace at this location. My objections are twofold:

- 1) this is a building of special architectural and historic interest (see attached) which sits within a Conservation Area.
- 2) Such a roof terrace would result in a loss of privacy for the residents of the buildings opposite (nos. 2 and 4 Woodchurch Road).

With many thanks in advance for your consideration.

Yours sincerely,
Janet Martin
