Product Description

A narrow variation of a Sheffield Cycle Stand, this Eco stand will accommodate up to two bikes (one each side) whilst offering high security cycle storage. The user can lock the wheel and frame to the stand using their own D-lock or chain.

- Available as Concrete In or Bolt Down
- Bolt Down version requires 6 x 12mm bolts per Stand
- Bolts are available extra.

Warranty Information

This product comes with a 1 year warranty as standard
