Your comments on the planning application: St Margaret's School and its Stakeholders believe that the Kings College Hampstead Campus was not solely used for student accommodation (Class Sui Generis) across the whole site. St Margaret's School have used the Bay Hall for school productions since 2007 and from September 2011 to July 2014 the lower Skeel hall was booked by the school during term time . St Margaret's School hired the Skeel hall Monday to Friday from 8.45 am to 5pm , Monday to Fridays during term time. Term time is 36 weeks per annum. In addition to this we used the hall out of hours on average about 4 times per term (for school productions etc.). For major school productions we hired the Bay Hall about 3 times per year and this would include rehearsal times during the day. I have attached a copy of the hire terms for your reference and am more than happy to go through the archiving to provide you with copy invoices, in the meantime I have attached a schedule of the history of our account with Kings College. The hire cost was at a reduced rate as we are a school and registered charity. Under the Planning Policy Point DP15 (Protecting Community Spaces) ,the lower Skeel hall was an existing community facility not only used by ourselves but at least one other community group. Its loss has created a shortfall in the provision for the specific community use. Camden Council. (2015). Planning Policy. Available: Camden Council: Neighbourhood planning Protecting Community uses
