Dear Laura,

please find enclosed our updated drawings following your email last week. There is also an additional drawing, showing the other 2 elevations.

To the best of our knowledge, the operational times of the various items are:

POD Cafe:

- 2 no. condensing units (mounted on roof – previously mounted on wall of residential unit): Until 6pm
- Cold-room condensing unit: 24-hours (intermittent operation)

Good Vibes Fitness:

- 1 no. Air Handling Unit: Until 8pm
- 5 no. condensing units for internal airconditioning: Until 8pm

Yumchaa Café:

- 2 no. condensing units for internal air conditioning Until 8pm

Please let me know if you have any questions or call us to discuss.

regards,
