Attention Livio Venturi

Dear Livio,

17, 27 AND 25 FERDINAND STREET, CAMDEN LONDON

I refer to the email sent from the planning officer Fergus Freeney requesting verification of the qualifications of the chartered engineer and their membership 'of the appropriate professional body'.

I hereby confirm that Pringuer- James Consulting Engineers (PJCE) is member of the Association for Consultancy and Engineering (ACE).

We can also verify that the engineer responsible for the project Teodor Perfanov is appropriately qualified and is chartered member of the Institution of Civil Engineers (ICE).

I trust this is of assistance.

Yours sincerely,

Teodor Perfanov
MSc(Eng), M(Eng), C(Eng), MICE
(For Pringuer-James Consulting Engineers Ltd)
