2015/2393/P	Bloomsbury Conservation Area Advisory Committee - Hugh Cullum	BCAAC	06/06/2015 10:56:38	COMMNT	The proposed facades are somewhat bland and lack any detail when compared to even the detailing of the original mews type (window mullions, sills, matchboard doors etc.). The facades are characterless and make no effort to fit in to the conservation area.
