2015/2819/T	Consuelo Phelan	54 Belsize Park NW3 4EE	09/06/2015 01:00:36	COMMNT	No reasons are given for the removal of two trees. Is this removal necessary? As they are in a corner garden, they are bound to affect the streetscape and shade. Unless the trees are dying or dangerous, I should like to object to their removal on behalf of the Belsize Residents' Association.
