# CenterRail

## Towel Warmer

The CenterRail towel warmer from Plumb Center is a classic ladder rail made out of quality steel. It has a contemporary look and is available with a chrome or white finish. Its 25mm tubes not only look attractive, but also increase the efficiency of the rail, meaning you can have all the benefits of quality, performance and style.

There are 20 different models to choose from with widths varying from 450mm - 600mm and heights from 862mm - 1807mm. There is a choice of straight and curved styles, so whatever size bathroom you have, and whatever taste, we are confident we will have a model to suit.

If that wasn't enough, the CenterRail towel warmer comes with a 5 year warranty and is in stock now, meaning it is available when and where you need it. With prices starting from £49\* it really is a luxury you can afford!
