2014/7077P	Mark	4 Sumatra Road	22/03/2015 12:48:07	COMMENT	I would like to formally notify my desire for this to be rejected. 
From a planning perspective, the plans include a metal grille at the front which is not only unsightly, but not in keeping with the nature of this end of Sumatra Road. The exit to the garden is also not in keeping with the other neighbouring properties.
