We received your notification of Intended Works to Tree(s) in a Conservation Area dated 25 September 2014.

We have set works from the date of receipt of your letter to consider making a tree preservation order on the tree(s). If you have not heard from the Council by 04 November 2014, you are entitled to carry out the proposed work as long as you do so within two years from the date of your letter and do not do more work on the tree(s) than is set out in your letter.

We will make every effort to inform you of the outcome of your proposal before this date.

It is our policy to notify a person responsible of the proposed works.

Where necessary, please ensure that the owner of the tree(s) to which you intend to carry out the proposed work have given their consent before work begins.
