Informative(s):

- 1 Reasons for granting permission.

The proposed shopfront is considered appropriate in terms of design, scale and materials to be used. The proposal will enhance the appearance of the building particularly through the additional glazing and removal of permanent window bars, and the commercial identity of the building on Chalton Street.

The proposals would not give rise to any adverse amenity impacts.

The site's planning and appeal history has been taken into account when coming to this decision. One objection was received following statutory notification, but was later withdrawn.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policy DP24 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2015, consolidated with amendments since 2011; and paragraphs 14, 17, 56 -66, 126 -141 of the National Planning Policy Framework.
