

A diagram showing a stepped profile with horizontal segments. The segments are labeled with values: 0, 1 M, 2 M, 3 M, 4 M, and 5 M. The profile consists of six horizontal segments of equal length, each filled with horizontal lines. The segments are arranged in a stepped fashion, with the first segment at the top left, the second segment below it, and so on, ending with the sixth segment at the bottom right. The labels are positioned above and below the segments: 0 is above the first, 1 M is below the second, 2 M is above the third, 3 M is below the fourth, 4 M is above the fifth, and 5 M is below the sixth.
