Your comments on the planning application: I would like to object to the proposed plans for 6NT. As someone living in the neighborhood I agree fully with one of the objection letters eloquently penned by one of our neighbors which I attach and endorse.

I am pleased to see that Camden is willing to listen to interested parties rather than allow a botched attempt to circumvent the appropriate consultation process. This attempt further underscores what I interpret as a recognition by said parties that their initial proposal is in appropriate.
