Dear Antonia,

King's Cross Station Enhancement: Application no. 2006/3394/L Application for approval of details reserved by condition.

Please find enclosed our document ARC-REP-JMP-PA-SWNS-0035 which demonstrates the discharge of all of the conditions for the consents relating to King's Cross Redevelopment Programme. In some instances, where consents have overlapped, only one of the consents was discharged. The schedule cross refers between consents to show where the relevant submission has been made.

We hope you will accept this as a final closing out of all Network Rail's obligations under the KXRP planning and listed building consents. Please could you confirm that all conditions attached to all of the consents have now been discharged and that no further information is required.

If you require any further information or have any queries please do not hesitate to contact me on 020 7904 7419.
