2015/2483/P	Bartholomew Estate and Kentish Town CAAC	71 Patshull Road	15/06/2015 13:05:54	OBJ	This proposal is clearly visible from the road and is not modest in size , the proposed volume is too large , it will be detrimental to the Conservation Area because if its scale and will affect the architectural integrity of the building , is obtrusive and adversely affects the character of the Conservation Area
