Subject: 2015/2891/P - objection to the proposed plan.

Hi,

I have been informed that a new block will be built behind my block Saxon court, NIC 4AJ, and I am not happy about it , alongside other residents. This will lead to a loss of sunlight and privacy, as well as a cause of extra noise nuisance?

We would kindly appreciate that residents be considered before planning any further.

Yours sincerely
A Tenant from Saxon court.
