Subject: Re: Comments against a planning application

Dear Anthony and Kim

Thank you for your enquiry.

Please note that you can make your comments against live applications in the Borough directly to Camden.

We are happy to take your comments below into consideration but need you to provide the address or reference number of the relevant planning application, so that we have a case to log your comments against.

Please provide these details by way of reply to this email, and your comments can then be taken into account.

Kind regards

My enquiry is

I have written the following to Tibbalds and wanted to copy you in.

Dear Sirs

Many thanks for your letter on the above subject and 1 page Town and Country 2015 Application For Planning Permission.

I am a little confused as Iâ€™m not used to these procedures and it appears you suggest on the printed form we make representation to Camden on this matter.

I have tried finding the application on Camdenâ€™s search web site but nothing comes up.

Many of us at Swallowfiled including myself want

	<p>to strongly object and protest to Not allow a 6 storey building to go ahead which would block out all our sunlight that pours through every day.</p> <p>I cannot understand any department allowing more buildings to go up in an already congested area. We only have a little bit of space between buildings as it is we donâ€™t want to lose any of it.</p> <p>How can I put my objections in and indeed seek compensation under the UK law of light loss should this go ahead? As my health as a major reason we would need to relocate as I couldnâ€™t live here anymore.</p> <p>We have also just endured over 4 years of containers being used in our open space and car park for a better homes project which initially we were told would only be 18 months. The containers have only just been removed with a further 8 still awaiting removal.</p> <p>Kind Regards</p> <p>eMail</p>  <p>NW1 3PJ</p> <p>Flat 13 Swallowfield Munster Square London NW1 3PJ</p>
