Dear Mr Sheehy

re: Planning Application Consultation 2015/1772/P

215a Besize Road, London NW6 4AA

I am a resident of Priory Road and I would strongly object to the change of use from retail to a community centre, that part of Belsize Road has small shops, including a new artisan bakery and chocolate shop which lend themselves to the village atmosphere, you should be encouraging more shops like these, another community centre would mean more traffic and pedestrians in an already narrow part of the road.

Best regards,
David Graff
