2015/2478/P	MRS D WRIGHT	17 St Christophers House Bridgeway Street London NW1 1QR	16/06/2015 15:22:15	SUPPRT	I wish to support this proposal. The new flats will give 4 much needed properties and will also take the noise and nuisance from those underneath the flat roofs. Both with leaks and noise of people frequenting the terraces (St Nicks) and the late night partying (St Anthony's). As long as the sound proofing between the flats is superior to that required by building regulations.
2015/2478/P	MRS C KHAN	46 St Nicholas Flats Werrington Street London NW1 1PT	16/06/2015 15:15:14	SUPNOT	<p>I would like to support this proposal. It will stop the problem of the leaky roof to the flats directly underneath. (currently flat roofs above all properties).</p> <p>The new Flats will also remove the current roof Terraces (St Nicholas) and the noise experienced by those underneath due to inadequate sound proofing. (St Anthony's) people using the roof to party until the early hours of the morning causinghavoc, not only to those directly underneath, but the whole estate.</p> <p>Will also provide 4 new dwellings in an area where there is a great shortage of housing.</p>
