Your comments on the planning application

I am writing to you regarding HS2. I am a Camden tenant in flat 12 Mosedale Cumberland Market NW1 3QH and the HS2 plan will effect my accommodation and most important my life. As far as I know there will be a new building in front on my building off Robert street in the car park space. If the plan will go ahead we are going to loose the day light as our windows will be blocked by the new building. We wont be able to open them due to dust and noise during the work. The two buildings will be to close to each other and I

wont be able to open windows and/or curtains as I don't want to see people on my face. No privacy anymore for my family. It will feel like we are in Big Brother watched 24/7 or even worst like a prison.

We are already surrounded by 2 other high buildings on both sides and the only space we had it's going to be taken away.

The car park is in use and this will also affect our family and other residents in this area. I am very upset as the current location is already crowded and this new building will things worse.

This is not only my concern but it's also a problem for my neighbors as well.

I do hope that you'll take in consideration my concern and many others

Thank You
